

## Film

All types of artistic approaches are welcome: animation, fiction, non-fiction and video art. The length of each film submitted has to be within the stipulated time-frame of 180 seconds. A submission can be in any language included in the 8th Schedule of the Indian Constitution. If the film is not in English/Bangla/Hindi, English subtitles must be included in the frame. Every submission must be in horizontal format in full HD (1920 X 1080 pixels) compressed with MP4 codec. In case a video is used in square or vertical formats, the file should be inserted in the horizontal full HD format as described with black bands on left and right sides. Every video submitted must be a final edited product: rough-cuts will NOT be considered for the selection. Commercial/corporate films advertising for any product, device, or business service, won't be selected. Films already existing on video-sharing platforms like YouTube, Vimeo etc. won't be considered for selection. The decision of the jury is final and unassailable. Any kind of activity purported to be impacting the result on the part of any contestant would serve to disqualify her/his candidature. Contestants might be asked to produce photocopies of any recognised age-proof document, if needed. Also, they might be asked to produce the uncut rushes to the jury if needed. While the respective filmmaker and/or producer has/have the unassailable commercial right on the films submitted, ILSR reserves the right to keep the awarded films on its website and to show them during any future event though on purely non-commercial purpose.
